[Insert organization name] Becomes a Blue Zones Project Approved™ Restaurant

[Insert organization name] is proud to announce that we have become a Blue Zones Project Approved restaurant!

Blue Zones Project® is a community-led well-being initiative designed to make healthy choices easier in [insert community name] through permanent changes to environment, policy, and social networks. When our entire community participates – from worksites and schools to restaurants and grocery stores – the small changes add up to huge benefits for all of us: lowered healthcare costs, improved productivity, and ultimately, a higher quality of life.

[Insert organization name] is playing an important role in this well-being initiative by achieving Blue Zones Project Approved status. Some of the initiatives we have implemented to earn this designation include [____], [____], and [____].

Your participation in these efforts, such as signing the Blue Zones Personal Pledge, helped us reach this designation. By implementing these healthy evidence-based options, [insert organization name] is helping our employees and everyone who lives, works and play in our community live longer, better lives.

If you took the Blue Zones Personal Pledge, you should already be receiving monthly updates about Blue Zones Project activities happening across our community, timely tips for making healthy choices easier, and links to recipes, information, and resources that will help you improve your well-being. You'll also have the opportunity to participate in variety of activities that will help you move naturally, eat healthier, find your purpose, and stay connected.
